

## We want to know

# Do HIM professionals undertake research?

A group of HIMAA members are embarking on a research project to find out if HIM professionals undertake research and what are the enablers or barriers to undertaking research.

A short survey has been developed to collect your feedback. For further information about this survey, please go to <https://redcap.utas.edu.au/surveys/?s=CC7DNTWYND>. If you wish to complete the survey, it can be found at this same link.

**Spread the word and send this survey onto your colleagues/network - we want to know what they think too.**

For further information contact Kerryn Butler-Henderson, Project Lead, at: [Kerryn.Butlerhenderson@utas.edu.au](mailto:Kerryn.Butlerhenderson@utas.edu.au) or 03 6324 3329.

This project has been approved by the University of Tasmania Social Science Ethics Committee (H16639) and is endorsed by the:

Health Information Management Association of Australia Limited

Locked Bag 2045 NORTH RYDE, NSW 1670
